

# BLOGfoundations

This package is perfect for beginners who want to set up their blog the right way. It covers the essential steps to get started, from choosing a niche and platform to designing your blog and crafting your first posts.

## Includes:

- 3 one-hour coaching sessions focused on foundational topics like niche selection, platform setup, and content planning.
- Personalized action plan outlining the steps to launch your blog.
- Email support for two weeks after the final session to answer any follow-up questions.
- *Bonus resources:* A starter checklist, content calendar template, and beginner SEO guide.

**Ideal For:** New bloggers who need guidance on getting their blog off the ground.
